SHAPES SONG- LYRICS

I am a Circle, Circle.

I want to be a Square.

I want to be a Triangle. And I have 3 sides, one two three.

I am a Triangle.

I want to be a Rectangle.

I have 2 sides longer than the other two. Oh, ye~

I am a Rectangle.

I want to be a star shining high in sky wherever you are.

I am a Star. I am a Diamond. I am an Oval. I am a heart.

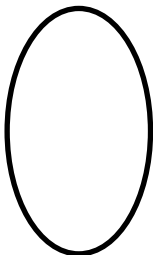

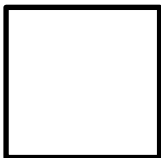

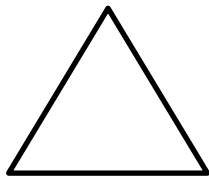

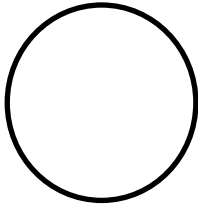

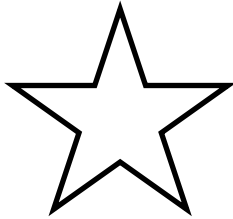

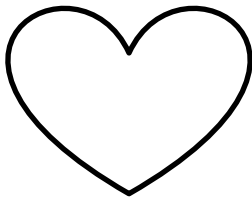

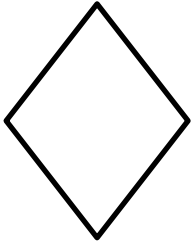

I am a Star. I am a Diamond. I am an Oval. I am a heart.
