

5A Communication task: Travel plans

Student A looks at this page. Student B looks at page 74.

A *Pair work.* Look at the travel brochure. You are going to take the Australian surfing trip in the brochure. Your partner is going on a different trip. Find out as much as you can about your partner's trip. Use these and your own ideas to ask questions.

- what kind of trip he or she is going to take
- how long he or she is going to stay
- what places he or she is going to visit
- where he or she is going to stay
- what he or she is going to do
- what he or she thinks will be most fun

A: So, what kind of trip are you going to take?

B: I'm going to take...

A: How long are you going to stay?

B: I'm going to stay...

A travel brochure for an 'Australian Surfing Tour'. The brochure has a blue background with a decorative orange border featuring a pattern of small dots. In the top left corner, there is a silhouette of a kangaroo. The title 'Australian Surfing Tour' is written in a large, white, stylized font with a blue outline. Below the title, there is a circular inset photograph of a surfer riding a wave. To the right of the photograph, the text '15-day tour' is written in a bold, white font. Below this, it says 'We'll take you to unforgettable Australian surfing destinations such as:' followed by a list of locations: 'Kira • Margaret River • Shark Island' and 'Black Rock • Bells'. Further down, it states 'Surfboard rental and daily surfing classes are included in the low price! You'll enjoy a welcoming stay at beachfront hotels with fine restaurants.' At the bottom, there are two columns of text. The left column is titled 'Evening Activities' and lists 'Beach Barbecues', 'Dinner Cruises', and 'Dancing'. The right column is titled 'Other Sports' and lists 'Swimming', 'Sailing', 'Beach Volleyball', and 'Windsurfing'.

B *Pair work.* Answer your partner's questions about your trip. Use your imagination to answer questions you don't have definite answers for.

B: How long are you going to stay in each place?

A: I'm not sure. I'll probably stay two or three days in each place.
